

Membership Plan 2021/2022

Tom Scanlon, Senior Vice Commander – Department Membership Chairperson

Membership is the lifeblood of any service or veteran's organization. We must retain all our current members and work ardently to obtain and recruit new ones. Both retention and recruitment are enormous challenges, that must be met head on.

Working and volunteering in communities, states and around the world, The American Legion has been dedicated to veterans, troops, national security, youth and patriotism since its founding over a century ago and we must continue this legacy. We must not fail in this endeavor, and strong membership is the most important asset to ensure we remain the largest viable organization working on behalf of our nation's veterans.

PERSPECTIVE ON MEMBERSHIP

Year End Membership Totals: 2018/2019 10,099 2019/2020 9,416 2020/2021 9,563

NOTE: During 2018/2019 membership year 494 members moved on to Post Everlasting significantly contributing to decreasing the 2019/2020 total. During the 2020/2021 year 206 members were reported as deceased.

2019/2020 Membership Year was the lowest since 1945 with 9,416 members. However, with hard work a turnaround started in 2020/2021 and will (must) continue.

We are still losing members faster than we recruit. This must change....

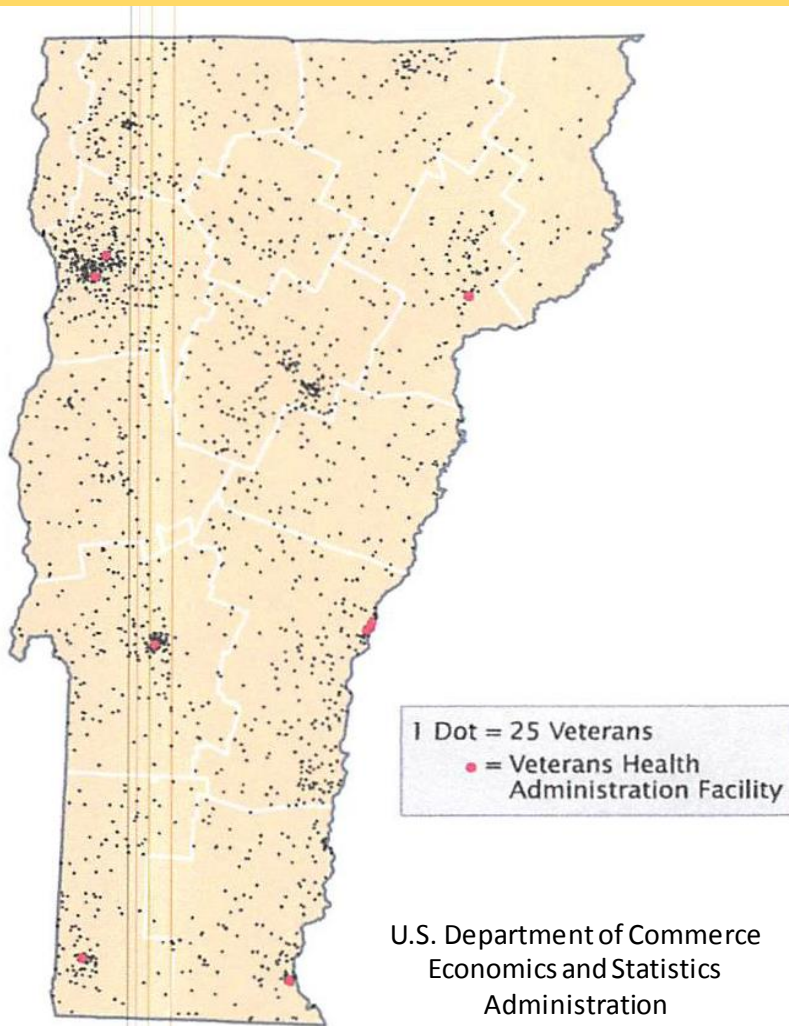

CHALLENGES

- Vermont never developed large cities in that the state is mountainous, heavily forested, and many of the rivers flow north to Canada instead of towards US ports on the Atlantic.
- Only one relatively metropolitan urban area with only nine incorporated cities in the state.
- Population of Vermont is 624,592 and it is the 49th most Populous state in the nation.
- The population density in Vermont is 68.0 people per square mile.
- More deaths than births in the state
- In the past 10 years more people moved out of the state than in.
- More seniors and fewer children, and fewer working-age adults.
- East/west travel in the state is through the mountains with no major highways.
- Broadband and cell service limited and at times unavailable in various areas in the state.
- No billboards or outside off premise advertising allowed anywhere in the state per state statute.
- No active duty military bases, with only a small Coast Guard facility on Lake Champlain and an Air and Army National Guard base in Colchester, Vermont.
- No major corporations in the state to attract employment and younger veterans.
- Covid-19.

They help their followers see and understand more. They inspire them to become more and motivate them to do more." – Michael Josephson, Josephson Institute of Ethics

WELCOME PACKETS

All posts should have on hand “Welcome Packets” to be given to new members to their post. This is akin to a 1SG or CSM providing the same to a new member of their command. These should include at a minimum:

- The brochure “The Four Pillars of the American Legion”.
- Brochures available on Legion.org detailing the programs of the American Legion.
- Discount benefits card.
- The Legionnaire Insurance Trust (LIT) brochure or flier.
- Blank membership form(s) encouraging them to recruit new members.
- Letter from the post welcoming them.
- Other documents or items that are appropriate for a new member.

New members, particularly younger ones are critical for the growth of our organization. They can and should play an integral role in the post membership recruitment and activities. Nurture them and let them grow in the American Legion. They are the ones that will ‘tweet”, “blog”, etc. and get the message out to young veterans who are out there and waiting to learn about this wonderful organization, and ultimately be asked to join.

“People don’t always remember what you say or even what you do, but they always remembers how you made them feel.”

Plan in Motion - Execution

Leadership at all levels within the Department of Vermont play a critical role in making anything happen, to include membership initiatives. This is truly a TEAM EFFORT. However, we did not wait for the plan to be put in place to start. We have already moved forward in identifying those unrenewed members of the Department and have sent them a letter in partnership with our Ways & Means Committee in their fundraising effort. A raffle is being conducted with gas cards totaling \$250 and \$150 as the two prizes. Unrenewed members, if they renew, get \$10 worth of free entries into this fundraising raffle. The tickets were included in the mailing. We are hoping that this is one way to attract former members back.

The Department of Vermont is and will continue to build...

A FOUNDATION FOR THE FUTURE

to ensure...

NO VETERAN LEFT BEHIND
